To create a legacy through an endowment fund that enhances the lives of women and their families.

"How wonderful it is that nobody need wait a single moment before starting to improve the world"

—Anne Frank

The Women's Fund is a testament to this idea. It is building a unique legacy that will improve the lives of women and children now and forever.

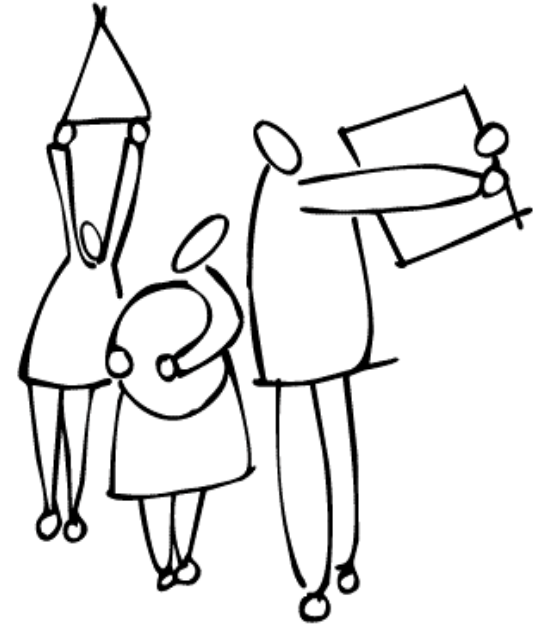

The Women's Fund can be used to honor a special person, commemorate an occasion or memorialize a loved one. Your gift will be acknowledged or can be anonymous, if you prefer. You decide what's right for you!

Many different types of assets can be used as gifts to The Women's Fund, from the simplest gift of cash to more complex appreciated assets. You may select the one that is right for your situation. If you are considering gifting an appreciated asset such as appreciated property (stocks, bonds, mutual funds or real estate), tangible personal property, life insurance and qualified retirement plan accounts, the Community Foundation's staff will work with you and your financial advisor prior to completing the gift.

Be a Partner

What is a **Partner**? Partners are special donors that are continuing the tradition of our Founders. The Women’s Fund was established with the generous support of one hundred visionary women. Coming from all walks of life, representing multiple generations, our Founders shared a common vision . . . to build a permanent resource that would help women and their families now and long into the future. With the fund established, we now ask you to help us ensure its continued success.

Become a **Partner** with an outright gift or 3-year pledge of **\$1,000**. As a **Partner**, your gift will be held in endowment, building the permanent legacy that will be passed on to future generations. Only the earnings will be distributed but as The Women’s Fund grows, so does our ability to help.
